*** Information for moving our Brazil Liaison Office ***

Since April 2006, we have established our Brazil Liaison Office at Rio de Janeiro and passed three years. We have received a lot of support from our customers and suppliers, and we could make our good business and relation with steel mill companies in Brazil.

Our contract with Mr. T. Kuzuhara has been over by this end of March who was a good our representative during this 3 years, then we have decided to move our office to Sao Paulo as follows. Our new representative Mr. Samuel Shinichi Saito can speak Portuguese, Spanish and Japanese as well.

MATSUI Corporation São Paulo Liaison Office

Attention: Mr. Samuel Shinichi Saito

Rua Maestro João Gomes de Araújo, 101 casa 2

Água Fria - São Paulo - SP - Brasil - CEP: 02332-020
